

Quakertown Soccer Club Newsletter

February 2013

Message from the President:

Welcome to the first edition of our QSC Newsletter. As we continue to grow QSC in so many ways, we know that we must improve our Communications Strategy so you all know what's happening in our club. QSC belongs to all of us and even though there is a small group that run it, we feel accountable to make sure you know what's happening so we can celebrate our successes and work on improving areas of need. In 2012, we implemented a new Club Website and upgraded our Intramural and Tournament Registration systems. Additionally, we have rapidly developed a strong presence in the Social Media world, with over 325 Likes on Facebook and a growing number of Twitter followers. Our intent with this Newsletter is to bring you a couple of pages of information per month which examine our efforts and results as a club. So, let me be the first to Welcome you to our Newsletter and if you have suggestions for stories or improvements, please direct them to newsletter@quakertownsoccerclub.org.

All the best for a great 2013!!

The Fall 2012 Travel season was a tremendous success to say the least. The hard work of the kids, coaches and parents resulted in 7 first place finishes and 4 second places. We must all remember that success isn't measured in wins and losses alone. One of the goals of the QSC travel and academy programs is to develop our soccer players in a fun and supportive environment so that they can continue their growth well into the future.
